G²MQ's unique capabilities:

- Our team of nationally recognized Baldrige experts are on the forefront of organizational assessment, transformation and management practices.
- Our consultants coach senior leaders and teams in creating a high performance culture with a focus on results.
- Our hands-on Baldrige workshops use your organization – not case studies – to learn Baldrige. Participants are able to immediately apply what they learn.
- Our easy-to-use Fast Track to Excellence™ methods and tools reduce the time and effort to develop a Baldrige application to as little as six weeks.

What our clients are saying about us . . .

“G²MQ's approach to writing a successful Baldrige application helped us achieve a site visit the first time we applied! The Baldrige process led by G²MQ transformed our organization with a stronger focus on outcomes and improved strategic direction.”

— S. Kendrick, Director, City of Hope-Banner

“G²MQ led our process of preparation and improvement for the Baldrige award review and site visit ... Their contribution to this effort was truly exceptional.”

— Dr. J. Hensing, Board of Director & Senior VP, Banner Health
